

INVALIDATION CERTIFICATE

Certified that we have carefully examined **Mr. Muhammad Sadiq Muhammad Khan**, working as **Security Guard, Govt. Higher Secondary School Chowk Sarwar Shaheed**. His/Her age according to his/her own service record is **55** years and by appearance is about **55** years. The brief clinical findings are: -

Patient **Mr. Muhammad Sadiq S/O Muhammad Khan**, presented with **C/O low back pain in Medical Board**. On Examination of patient ankle jerk reflex was diminished on left side, sensation diminished in S1 area, SLR (Lt) 30°, SLR (Rt.) 40°. Toe, heel raise in possible with difficulty. MRI lumbosacral Spine was suggested by Consultant Radiologist, DHQ Hospital Muzaffargarh. Patient was referred to Nishtar Hospital Multan for expert opinion from Professor of Neurosurgery (H.O.D) regarding invalidation vide letter No. U-2/1596/DHQ dated 22-03-2022. According to opinion received from Dr. Saleem Akhtar, Senior Registrar of Neurosurgery Nishtar Hospital Multan vide No. PTS/6-A/17832/NH dated 26-04-2022 and No. PTS/Invalidation/15161/NH dated 07-04-2022, "Patient is suffering from low back pain and difficulty in walking for the last 04 years. He has C/O numbness of left foot. His clinical examination reveals SLR 45° on left, Hypoesthesia SI dermatome on left with decrease power of left planter flexion and diminished left ankle jerk. His MRI reveals lumbosacral compression and impingement on the exiting nerve roots. In my opinion, he is not fit for job and can be considered for invalidation from Govt. services through medical board".

His complete case was again referred for review from H.O.D Neurosurgery Department vide letter No. U-2/3032/DHQ dated 04-06-2022 and No. 4349/DHQ dated 16-08-2022 and same received duly verified by Dr. Saleem Akhtar, Sr. Registrar NHM & Dr. Syed Zahid Hussain Shah, Associate Professor/H.O.D of Neurosurgery Department vide No. PTS/5-A/35053/NH dated 11-08-2022 & No. PTS/5-A/41626/NH dated 22-09-2022 and dated 16-09-2022. His complete case once again referred for verification expert opinion from Dr. Syed Zahid Hussain Shah, Associate Professor, Neurosurgery NHM for genuineness (whether issued by said Associate Professor or otherwise) vide letter No. U-2/6324/DHQ dated 21-10-2022 but report is still pending at the end of MS NHM.

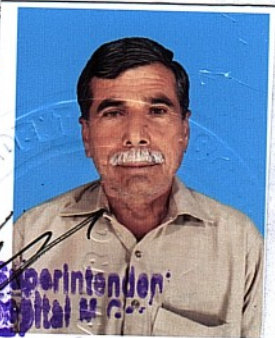

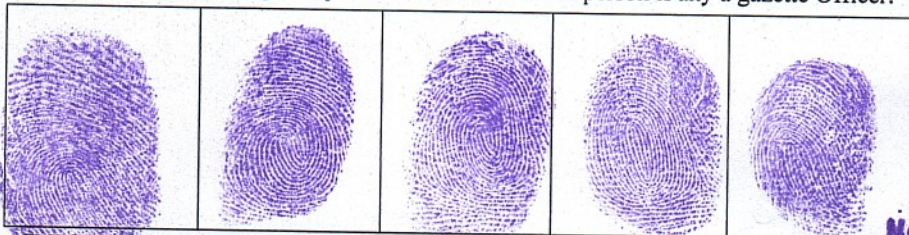

However, on the basis of patient history, examination, investigation and available 2nd opinion from Dr. Saleem Akhtar, Senior Registrar of Neurosurgery NHM, Mr. Muhammad Sadiq, may be considered for invalidation on these medical grounds in category "B".

We consider him/her to be invalid as a consequence of the diagnosis of "Proapsed intervertebral Discs".

The invalidation category assigned is "B"

- A. Completely and permanently for further service of any kind.
- B. Completely and permanently incapacitated in the department to which he / she belongs.
- C. Incapacitated for further service in the appointment which he /she holds, but we are of the opinion that he/she is (or many after resting _____ months he) fit for services of less Laborious character than which he/she has been doing.

His/her incapacity does not appear to us to have been caused by irregular or intemperat
Thumb and finger impression of the examined person if any a gazette Officer.
