The prequalification committee scrutinized and examined the prequalification documents of applicant firms.

The committee after detailed scrutiny/examination of the reports, discussion with the Convener/Members and due deliberation decided the status of the prequalification of Section (s) of the applicant's Pharmaceutical Manufacturing Unit (s)/ Foreign Principal(s) and the quoted item(s). The prequalification is subject to the following conditions;

- i. The prequalification of all quoted products is subject to the conformance of the product's specification with the specifications advertised/required later in the bidding documents during bidding process.
- ii. In addition to the condition (i), the prequalification of all imported product is subject to the conformance of International Quality Standards & Certification of the product/manufacture which will be included in the tender specification. In case of medical devices (Syringes etc.), individual blister packing of the product is another additional requirement.
- iii. The prequalification is for all strengths of the quoted product.
- iv. The Pre-Qualification is valid for "ONE YEAR" extendable to next financial year and Technical and Financial Proposals will be called from the Prequalified Firms. It is mandatory for the prequalified firms to participate in the bidding process for the prequalified Pharmaceutical Section(s) / Item(s) as & when required by DGHS. In case of non-participation, the department will suspend/cancel the prequalification of Firm/Section/Product.
- v. The detailed reasons of non-prequalification (Disqualification) and partial prequalification can be seen and downloaded from Department & PPRA Web site. In case of future addition in formulary the qualification against prequalified section and items of different strengths will be considered prequalified subject to fulfillment of criteria of prequalification and bidding. The item-wise results of prequalification are as under.
